

## CESHIREWINDOWSHUTTERS

Our Plantation Shutters are manufactured by the world leader combining state of the art manufacturing with hand crafted finishing touches.

We use mortise and tenon joints between the rail and the stile which are stronger than dowel joints.

We use 6 coats of paint or stain, the final layer being clear laquer.

We have fulfilled the remit of many prestigious installations and more importantly have many very satisfied customers.

### CESHIRE WINDOW SHUTTERS OFFER

- **FREE home survey with shutter samples**
- **3 Year warranty on all shutters and fittings.**
- **Fully trained surveyors and fitters.**
- **Competitive pricing on all our shutters**

WITH OVER 50 YEARS of combined experience in the blinds and soft furnishing industry, Cheshire Window Shutters are the natural choice.

The owner's have both been trading since the early 80's and joined forces to provide a service that is second to none. SPECIALISING in "up to the minute" **PLANTATION SHUTTERS**, we can help with all your requirements from one small window to an entire property. We will work closely with you and guide you every step of the way... until your vision is realised.

OUR TEAM is skilled at solving complex space and design problems particularly with regard to large scale windows and arched or round windows.

We will work with you FROM BEGINNING TO END... we take great pride in our ability to see the job through from idea to completion. the same people will come out to Survey the job, Measure up, Estimate and Install.
